Brisbane, May 05, 2015 – ALLKIND Joinery & Glass has been awarded 'Best of Houzz 2015' for Design by Houzz.com.au, the leading platform for home renovation and design. The prestige timber joinery with a tradition spanning over 45 years was chosen by the more than 25 million users that make up the Houzz community (with over 1 million in Australia). ALLKIND was selected from among more than 500,000 home professionals worldwide!

The Best of Houzz awards fall under two categories: 'Design' and 'Customer Satisfaction'. Design awards are granted to home professionals whose work was the most popular among the more than 25 million monthly users on Houzz, affectionately known as 'Houzzers'. Customer Satisfaction honours are determined by a variety of factors, including the number and quality of client reviews received by a professional in 2014.

Winners of the awards will receive a 'Best of Houzz 2015' badge on their profiles to highlight their talents to the community. The badges will highlight the award winner's popularity and satisfaction rating among their peers on Houzz, distinguishing them to Houzzers around the world who discover and love their work.
